“MontgomeryWorks’ Technology Project has been tremendous in helping Amarex Clinical Research meet its new-hire training goals. The staff provides personalized assistance and professional, time-efficient service.” — Ana Daie, Director, Human Resources, Amarex Clinical Resources

YOUR FIRST SOURCE FOR A QUALITY WORKFORCE

MontgomeryWorks simplifies the hiring process. Many area businesses depend on our team as their cost-free, on-call human resources department. We recruit, screen, evaluate, and match job seekers with employer needs and skill requirements. We also offer:

- Recruitment services
- Job postings
- Industry-specific job fairs
- Customized training programs
- Employer hiring incentives and tax-credits
- Outplacement services
- Customized employment consultation and services
- Access to the Maryland Workforce Exchange*

CUSTOMIZED WORKFORCE SOLUTIONS

MontgomeryWorks finds quality employees for area businesses and offers individualized employee training programs. Our business services team works with eligible employers to assess workforce deficiencies, identify qualified candidates, and create training programs to meet their short and long term needs. Eligible employers can also apply for grants to train new and current employees, ultimately allowing their businesses to succeed in the global economy.

KEEPING THE PACE

As part of the local economic development agency, we remain informed on new shifts and trends in the local, state, and national economies, and can give employers up-to-date, reliable information, including:

- Labor market and wage data information
- Local, regional, and national economic trends
- Local economic development resources
- Information on tax credit programs
- Information on office space, permitting, and business expansion

*The Maryland Workforce Exchange is a virtual recruitment tool that connects employers to skilled job seekers and up-to-date workforce information.
